

CCD Data Reduction

Lancelot L. Kao
Astronomy Department
City College of San Francisco
San Francisco, CA 94112

Outline

- * Complete Set of CCD Data
- * Preparation
- * Reduction Procedures

CCD Data Set

- * Bias Frames
- * Dark Current Frames
- * Flatfield Frames
- * Calibration Frames
- * Target Frames
- * Intrinsic structure
- * electronic noise
- * pixel-to-pixel variation
- * photometric and/or spectroscopic
- * stars, galaxies, clusters, QSOs, etc.
