Give the letter of the distribution(s) that fit each description:

Decide whether the ADM for each dotplot given above is 0, 1, less than 1, or more than 1.

Dotplot(s) with ADM equals 0:        _____

Dotplot(s) with ADM equals 1:        _____

Dotplot(s) with ADM less than one:        _____

Dotplot(s) with ADM more than one:        _____
